

Directions to the Office of Belper Rail Engineering Ltd

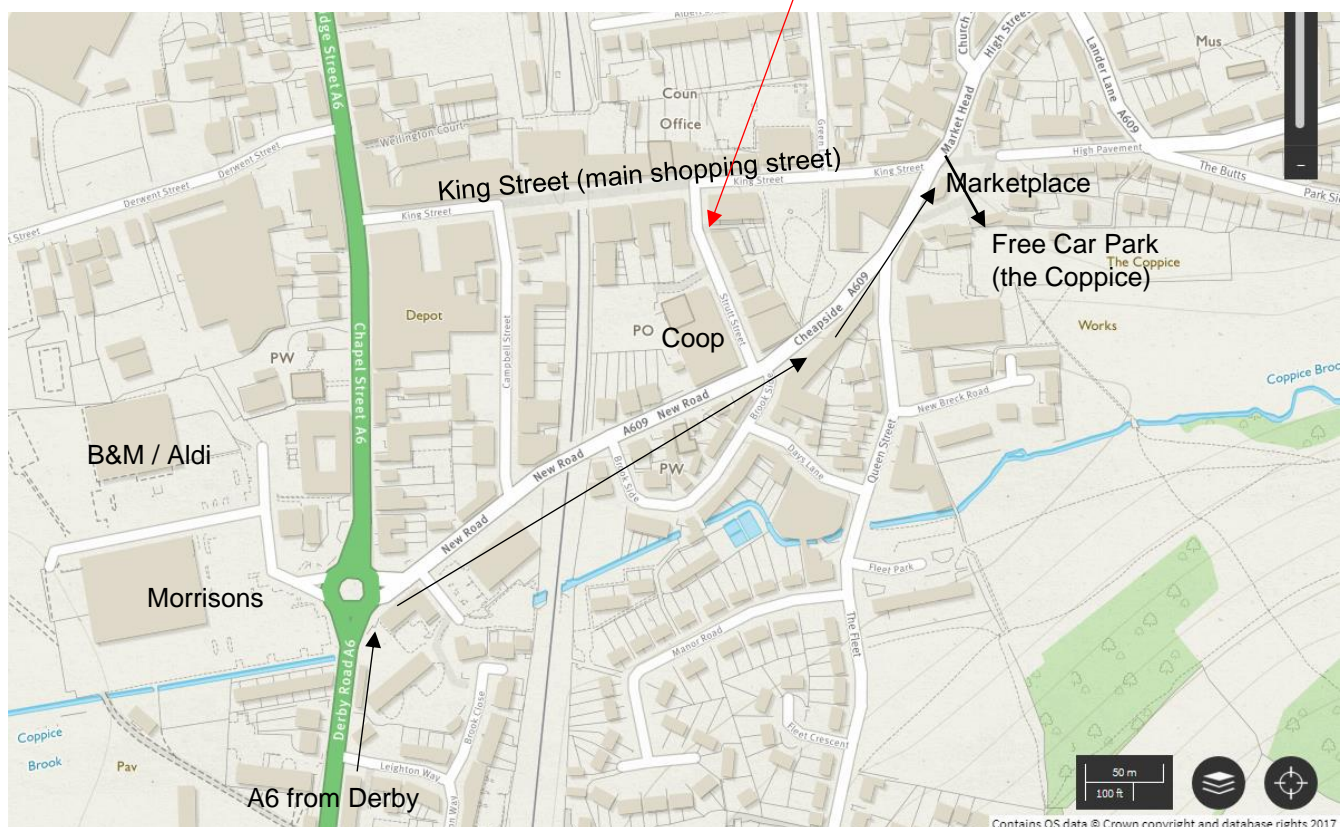

The address is Office Suite 1.01, 62 King Street, Belper, DE56 1PZ

These directions are if you are coming from the south on the A6 from Derby and Duffield.

Turn right at the Morrisons roundabout and up New Road. Follow this up the hill to the market place.

Just before you get to the pedestrian crossing turn right onto the market place, bear right and the car park is ahead of you and signposted.

It's a big car park and there is always space, although often only at the far end.

From the car park, walk across the marketplace, cross at the pedestrian crossing and head down King Street. On the corner of Strutt Street at 62 King Street is a sweet shop called Sweet Memories. Turn left here onto Strutt Street.

The office address is 62 King Street, but the entrance is off Strutt Street. The office is above Peakdale Outdoors, with the entrance steps to the right side of the shop.

Go through the cream coloured gate and up the exterior stairs.
